

STATE OF MARYLAND

State Department of Assessments and Taxation

Gene L. Burner, Director

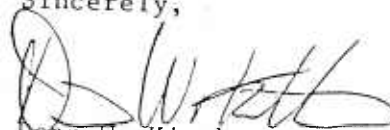

June 1, 1988

Gentlemen:

Chapter 195 of the Acts of 1988 abolished the requirement that the Department submit a percentage of the recording fee collected on corporation charter documents and limited partnership certificates. This law takes effect July 1, 1988. Accordingly, after that date, when the Department forwards to your office the aforementioned documents, there will be no fees remitted with them.

If you have any questions with regard to this matter, do not hesitate to contact me. Your anticipated cooperation is appreciated.

Sincerely,

Dean W. Kitchen
Corporate Administrator
